

MEMO FOR DCI

9 Jul 80

From:

STAT

1. You asked me to set up a 15-minute meeting with Gen Whitehead. I've done that for Monday at 1300.

A handwritten signature, possibly "NO" or "MO", is written over the text of the first item in the list.

2. Your next presidential brief is firm for 1130, 23 July.
